A manufacturer's license or nonresident seller license shall authorize the holder thereof to solicit and take orders for alcoholic beverages from the holders of licenses authorized to import the same into this state, and to ship or deliver, or cause to be shipped or delivered, alcoholic beverages into Oklahoma pursuant to such sales.

B. A brewer not licensed in this state selling beer to a nonresident seller shall have a written distribution sales agreement with the nonresident seller. Such agreement shall be subject to inspection by the ABLE Commission.

However, immediately after taking possession of the alcoholic beverages, the person shall register with the Director and furnish a detailed list of the alcoholic beverages and post with the Director a bond in such amount as the Director deems sufficient to protect the state from any taxes due on the alcoholic beverages. The person shall pay to the Director a registration fee of Fifty Dollars (\$50.00), which fee shall permit the sale of only the alcoholic beverages detailed in the registration request. A wholesaler or beer distributor receiving a lot or parcel of alcoholic beverages pursuant to this subsection may sell it in one lot or parcel or more than one lot or parcel to a licensed package store or mixed beverage licensee or more than one licensed package store or mixed beverage licensee at an agreed-upon price without regard to current posted prices; provided, the total of the lots sold by the wholesaler or beer distributor shall not exceed four (4) lots.

SECTION 50. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 2-138 of Title 37A, unless there is created a duplication in numbering, reads as follows:

Provided, a college or university prior to waiving the three-hundred-foot requirement found in this subsection shall publish a notice of its intention to waive such requirement in a legal newspaper of general circulation within the state at least thirty (30) days but no more than forty (40) days prior to providing any written notice, waiving the three-hundred-foot requirement, to the establishment seeking the license or to the ABLE Commission. As used in this subsection "legal newspaper of general circulation within this state" means a newspaper meeting the requisites of a newspaper for publication of legal notices as prescribed in Section 106 of Title 25 of the Oklahoma Statutes in a majority of the counties in this state.

B. The distance indicated in this section shall be measured from the nearest property line of such public or private school or

C. The provisions of this section shall not apply to mixed beverage establishments, beer and wine establishments, or bottle clubs, which have been licensed to sell alcoholic beverages for on-premises consumption or retail package stores prior to November 1, 2000; provided, if at the time of application for license renewal the licensed location has not been in actual operation for a continuous period of more than sixty (60) days, the license shall not be renewed.

D. When any mixed beverage establishment, beer and wine establishment or bottle club subject to the provisions of this section which has a license to sell alcoholic beverages for on-premises consumption, or package store, changes ownership or the operator thereof is changed and such change of ownership results in the same type of business being conducted on the premises, the provisions of this section shall not be a deterrent to the issuance of a license to the new owner or operator if he or she is otherwise qualified.

E. 1. Any interested party may protest the application for or granting of a license for a package store, or for a mixed beverage establishment, beer and wine establishment or bottle club which has as its main purpose the selling or serving of alcoholic beverages for consumption on the premises, based on an alleged violation of this section. The ABLE Commission is authorized to issue, upon application of a person who is twenty-one (21) years of age or older, an annual personal use permit which when granted authorizes the holder thereof to make, store, possess and transport for personal use, beer, fermented non-distilled ciders and wine, as defined by Section 3 of this act. The total volume of each authorized beverage made and possessed for personal use in a given calendar year shall be limited to a volume less than two hundred (200) gallons. The term "personal use", as used in this act, means the individual making beverages pursuant to a valid personal use permit issued by the ABLE Commission produces such beverages solely for his or her use and consumption, for consumption by his or her family and guests, and for transport to and use at organized affairs, exhibitions or competitions, including but not limited to homemaker contests, tastings or judgments. No beverage made pursuant to a personal use permit shall be sold or offered for sale.

Unless otherwise provided, the ABLE Commission shall give notice of approval or disapproval of an application for a license within thirty (30) days after the filing of the application. The ABLE Commission shall give notice of approval or disapproval of an application for a mixed beverage, beer and wine, bottle club or caterer license within sixty (60) days after the filing of the application. Provided, the ABLE Commission may extend the period for making a determination of whether to

approve or disapprove an application an additional thirty (30) days for good cause. The ABLE Commission may conditionally approve any application which is subject to Section 54 of this act if:

1. Construction, modification or alteration of premises proposed for licensed operations is not completed; and

2. The applicant furnishes a conditional certification issued by the municipality or county that the applicant's plans and specifications indicate that the proposed premises will comply with the municipality's or county's zoning, fire, safety and health codes.

The ABLE Commission shall issue its final notice of approval when the applicant furnishes final certificates required by Section 54 of this act.

SECTION 54. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 2-142 of Title 37A, unless there is created a duplication in numbering, reads as follows:

A. No license provided for in the Oklahoma Alcoholic Beverage Control Act shall be issued except pursuant to an application filed with the ABLE Commission. The ABLE Commission may, however, provide for a form of simplified application for renewal of a license. Payment of the prescribed fee shall accompany each application for a license.

B. Every applicant for an original license, except applicants for an employee, charitable event, special event or airline/railroad beverage license, shall also furnish the following:

1. A tax receipt proving payment of ad valorem taxes, including real and personal taxes, or furnish to the ABLE Commission satisfactory evidence that no taxes are due or delinquent;

2. A certificate of zoning issued by the municipality in which the applicant proposes to locate the applicant's principal place of business under the license, or by the county if the principal place of business is located outside the incorporated limits of a municipality, certifying that the applicant's proposed location and

use thereof comply with all municipal zoning ordinances or county zoning regulations if applicable;

3. A certificate issued by the municipality in which the applicant proposes to locate the applicant's principal place of business under the license, or by the county if the principal place of business is located outside the incorporated limits of a municipality, certifying that the applicant's existing or proposed operations under the license comply with all municipal or county fire codes, safety codes, or health codes, if applicable;

4. Authorization, on forms furnished by the ABLE Commission, for complete investigation of the applicant's current financial status as it relates to the application for a license, including but not limited to access to bank accounts, loan agreements and financial statements;

5. A deed, management agreement, purchasing agreement or lease; and

6. Proof of liability insurance covering both bodily injury and property damage.

C. The certificates required by paragraphs 2 and 3 of subsection B of this section shall be signed by the mayor of the municipality or the chair of the board of county commissioners issuing same, unless the municipality, by ordinance, or the county designates some other officer or entity to issue the certificates. Applications for such certificates shall be in writing and shall contain information in such detail as the municipality or county may reasonably require describing the location and nature of operations to be conducted under the license. Municipalities and counties shall be required to act on all applications for such certificates within twenty (20) days of receipt of the written application.

D. Municipalities and counties may grant conditional certificates for premises proposed for licensed operations for which construction, modification or alteration is not completed. Conditional certificates shall indicate that the proposed premises will comply with the municipal or county zoning, fire, safety and health codes. The granting of conditional certificates shall not relieve the applicant of the duty of obtaining the certificates

required by paragraphs 2 and 3 of subsection B of this section after completion of the construction, modification, or alteration.

E. A municipality or county shall issue the certificates required by paragraphs 2 and 3 of subsection B of this section within ten (10) days after all final inspections are completed.

Thereafter if a licensee fails to maintain compliance with municipal or county zoning ordinances and codes, the mayor or chair of the board of county commissioners or their designee, shall forthwith notify the ABLE Commission in writing setting forth details of the noncompliance.

F. Upon issuance of any license, the ABLE Commission shall furnish the Oklahoma Tax Commission with a list of such licenses.

G. In the event of denial of an application for a license, the ABLE Commission shall refund to the applicant the amount of the tendered fee, less ten percent (10%), which it shall retain as cost of processing the application.

H. Any licensee, except an employee licensee, who fails to renew the license prior to the expiration date of the license, shall be subject to a late renewal penalty as provided by rules of the ABLE Commission. Further, any licensee, except an employee licensee, who fails to renew the license within sixty (60) days of the expiration of the license shall be required to submit a new license application. An employee licensee who fails to renew prior to the expiration of the license shall be required to submit a new license application; provided, however, that under no circumstances shall any licensee, including an employee licensee, whose license to serve or sell alcoholic beverages has expired, continue to serve or sell alcoholic beverages.

I. The requirements in this section shall be required for a public event license applicant, except for those certificates required by paragraphs 2 and 3 of subsection B of this section as the events are temporary in nature and the locations are not permanently licensed.

D. A corporate licensee shall notify the ABLE Commission any time a person, any type of partnership, limited liability company or other entity acquires the percentages specified in paragraph 3 of subsection A or B of this section, or more, of the stock of the corporation. Such notification shall be within thirty (30) days of acquisition, and the corporation shall pay a fee of One Hundred Dollars (\$100.00) for each notification of change.

E. The ABLE Commission may disapprove a change of officers, directors or principal managers or the acquisition of more than the percentages specified in paragraph 3 of subsection A or B of this section of the stock in a licensed corporation if the ABLE Commission feels that such change would materially affect the conditions under which the license was issued, such that the license would not have been issued had such change been in existence at the time of the original application. If such disapproval occurs, the ABLE Commission shall notify the licensee in writing and in the case of a publicly traded corporation, allow a reasonable time for the licensee to remove such officer, director or manager or for the stockholder to divest himself or herself of any stock held in excess of the percentages specified in paragraph 3 of subsection A or B of this section; provided, a reasonable time may not exceed a ninety-day period following notification of denial by the ABLE Commission. D. The ABLE Commission may disapprove a change of manager or new membership in a licensed liability company if the ABLE Commission feels that such change would materially affect any conditions under which the license was issued, such that the license would not have been issued had such change been in existence at the time of the original application. If such disapproval occurs, the ABLE Commission shall notify the licensee in writing and allow a reasonable time for the licensee to remove such manager or for a member to be disassociated from the company; provided, a reasonable time not exceed a ninety-day period following notification of denial by the ABLE Commission. Failure to comply with the provisions of this subsection may result in revocation or suspension of such license.

E. Any person who has been a licensee, a partner in a license, an officer, director or fifteen percent (15%) or more stockholder of a corporation holding a license revoked or suspended, pursuant to the provisions of the Oklahoma Alcoholic Beverage Control Act, shall not serve as a manager or be a member in a limited liability company seeking a license pursuant to the provisions of the Oklahoma Alcoholic Beverage Control Act for a period of twelve (12) months from the date the license was revoked or suspended.

Unless otherwise provided by law, any person who has received a pardon for a felony conviction shall be eligible to apply for, receive and renew any license granted by the ABLE Commission, which by law is denied to a convicted felon, if:

16. That, in the case of an application for a retail spirits, retail wine or retail beer license, the applicant or any partner is the holder or partner of the holder, or employee of such holder of any other class of license issued under the provisions of the Oklahoma Alcoholic Beverage Control Act, other than a storage license or an employee license for the proposed licensed premises of the applicant; or

A. Any license issued pursuant to the provisions of the Oklahoma Alcoholic Beverage Control Act by the ABLE Commission, after due notice and hearing, may be revoked or suspended if the ABLE Commission finds or has grounds to believe that the licensee has:

1. Violated any rule promulgated by the ABLE Commission;

2. Procured a license through fraud, or misrepresentation, or concealment of a material fact;

3. Made any false representation or statement to the ABLE Commission or the Oklahoma Tax Commission in order to prevent or induce action by the ABLE Commission or the Tax Commission;

4. Maintained an unsanitary establishment or has supplied impure or otherwise deleterious beverages or food;

5. Stored, possessed, mixed or served on the premises of a bottle club any alcoholic beverage upon which the tax levied by Section 104 of this act has not been paid as provided for in the Oklahoma Alcoholic Beverage Control Act, in a county of this state where the sale of alcoholic beverages by the individual drink for on-premises consumption has not been authorized;

6. Misrepresented to a customer or the public any alcoholic beverage sold by the licensee;

7. Had any permit or license issued by the Tax Commission and required by the Oklahoma Alcoholic Beverage Control Act, suspended or revoked by the Tax Commission; or

8. Is not in compliance with the tax laws of this state as required in Article XXVIII A of the Oklahoma Constitution.

B. The ABLE Commission may revoke or suspend the license of any mixed beverage, caterer or bottle club licensee if the ABLE Commission finds or has grounds to believe that such licensee:

1. Has acted as an agent of a manufacturer or wholesaler of alcoholic beverages;

2. Is a manufacturer or wholesaler of alcoholic beverages;

3. Has borrowed money or property or accepted gratuities or rebates from a manufacturer or wholesaler of alcoholic beverages;

7. Is not in compliance with the tax laws of this state as required in Article XXVIII A of the Oklahoma Constitution.

C. The ABLE Commission may revoke or suspend the license of any retail, mixed beverage, caterer or bottle club licensee if the ABLE Commission finds or has grounds to believe that such licensee has borrowed money or property or accepted gratuities, discounts, rebates, free goods, allowances or other inducements from a wine and spirits wholesaler or beer distributor.

D. The ABLE Commission shall have the authority to revoke the license of any licensee if the ABLE Commission finds:

1. That the licensee knowingly sold alcoholic beverages or allowed such beverages to be sold, delivered or furnished to any person under the age of twenty-one (21) years or to any person visibly intoxicated or adjudged insane or mentally deficient;

2. That the licensee, any general or limited partner of the licensee, or in the case of a corporation, an officer or director of the corporation, has been convicted of a felony or is not in compliance with the tax laws of this state as required in Article XXVIII A of the Oklahoma Constitution;

3. E. If the ABLE Commission shall find by a preponderance of the evidence as in civil cases that a licensee has knowingly sold any

alcoholic beverage to any person under the age of twenty-one (21) years, after a public hearing, the ABLE Commission shall revoke such license and no discretion as to the revocation shall be exercised by the ABLE Commission.

F. The ABLE Commission shall have the authority to promulgate rules to establish a penalty schedule for violations of any provision of the Oklahoma Alcoholic Beverage Control Act or any rule of the ABLE Commission. The schedule shall provide for suspension or revocation of any license for major and minor violations as determined by the ABLE Commission. Penalties shall be increasingly severe with each violation by a licensee.

Provided, that for a fourth major violation by a licensee within a twenty-four-month period, the penalty shall be mandatory revocation of license. The twenty-four-month period shall be calculated from the date of the most recent violation as set forth in an order signed by the Director or the designee of the Director.

G. The ABLE Commission or the Tax Commission may impose a monetary penalty in lieu of or in addition to suspension of a license. The amount of the fine for a major violation shall be computed by multiplying the proposed number of days of the suspension period by One Hundred Dollars (\$100.00). The amount of the fine for a minor violation shall be computed by multiplying the number of days of the proposed suspension period by Fifty Dollars (\$50.00).

H. The failure of any licensee to pay a fine or serve a suspension imposed by the ABLE Commission or the Tax Commission shall result in the revocation of the license of the licensee.

I. If the ABLE Commission or the Tax Commission finds that public health, safety or welfare require emergency action, and incorporates a finding to that effect in its order, summary suspension of a license may be ordered pending proceeding for revocation or other action, pursuant to the provisions of Section 314 of Title 75 of the Oklahoma Statutes.

SECTION 61. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 2-149 of Title 37A, unless there is created a duplication in numbering, reads as follows:

In the case of denial of an application for an original license, the ABLE Commission shall give written notice to the applicant either by registered mail directed to the applicant's last-known address or by delivery, stating the reason for such denial. If the ABLE Commission proposes to deny renewal of any license or to suspend or revoke a license, it shall give written notice to the licensee addressed to the licensed premises by registered mail, by personal delivery or by posting of the notice on the outside entrance to the licensed premises, notifying the licensee of such contemplated denial, suspension or revocation, and of the time and place at which the licensee may be accorded a hearing before the ABLE Commission on the matter, which time shall not be less than fifteen (15) days from the date of mailing, delivery or posting of such notice. Such notice shall set forth the grounds for the proposed denial, suspension or revocation. The ABLE Commission may delegate any part of this function to the Director, but any person aggrieved by any order shall have the right to be heard by the ABLE Commission and the ABLE Commission shall provide adequate procedure to protect the right of persons desiring to do so.

SECTION 62. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 2-150 of Title 37A, unless there is created a duplication in numbering, reads as follows:

Any person aggrieved by the action of the ABLE Commission in denying an application for an original license may, within fifteen (15) days after receipt of notice thereof, file with the ABLE Commission written request for a hearing, and the ABLE Commission shall, pursuant to such request, set a time and place for a hearing on a denial of an application for an original license. At the time and place set in a notice by the ABLE Commission of contemplated denial of the renewal of a license or of a proposed suspension or revocation of a license, the ABLE Commission shall afford the applicant or the licensee an opportunity to be heard and to present evidence in the applicant's or licensee's behalf. The hearing shall be conducted within fifteen (15) days after receipt of the request by the ABLE Commission. In the conduct of any such hearing, the ABLE Commission shall have power to administer oaths, examine witnesses and subpoena records and documents pertaining to the issues involved. Upon request of and at the expense of the aggrieved party, the ABLE Commission shall make or cause to be made

a complete record of all testimony and other evidence taken or introduced at such hearing. Within fifteen (15) days after conclusion of any such hearing, unless the time shall be extended by the parties thereto in writing, the ABLE Commission shall enter an order affirming or modifying its denial of an original application, an order dismissing its notice of contemplated denial of renewal of license or affirming same, or an order dismissing its notice of contemplated suspension or revocation of a license or an order suspending or revoking same. The ABLE Commission shall, by written notice mailed to the applicant or licensee by certified mail or by delivery in person to the applicant or licensee, or the applicant's or licensee's attorney of record, advise of its action pursuant to the hearing.

SECTION 63. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 2-151 of Title 37A, unless there is created a duplication in numbering, reads as follows:

The ABLE Commission shall have the authority to conduct an initial hearing when a hearing is required by law. The Director of the ABLE Commission may employ such hearing officers and assistants as are necessary to conduct the hearings. If a hearing is conducted by a hearing officer, the hearing officer shall issue a report to the ABLE Commission. The report of the hearing officer shall include findings of fact and conclusions of law. Notice of the recommendation of the hearing officer shall be sent to the last-known address of the licensee. If the licensee disagrees with the recommendation of the hearing officer, the licensee may request a hearing before the ABLE Commission for a review of the record. If the licensee fails to request a review of the record within fifteen (15) days after the date of the notice of the hearing officer's decision, the recommendation of the hearing officer shall become a final order of the ABLE Commission. A failure to request a review of the record by the ABLE Commission in a timely manner shall constitute a failure to exhaust administrative remedies.

SECTION 64. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 2-152 of Title 37A, unless there is created a duplication in numbering, reads as follows:

Within thirty (30) days after a final order of the ABLE Commission, pursuant to a hearing as provided in Section 62 of this

act, an applicant or licensee may appeal from the order of the ABLE Commission to the district court of the county in which the premises licensed or sought to be licensed are located. At the time of filing such an appeal, the party appealing shall give bond for costs assessed against such party. The appeal shall be taken by filing with the clerk of the district court of the proper county a written notice stating that the party appeals from the action of the ABLE Commission and stating the pertinent grounds on which the appeal is founded. Such appeal shall consist of a hearing and review of the record only as set forth in the Administrative Procedures Act. The district court may affirm, reverse or modify the order of the ABLE Commission and shall issue its order within sixty (60) days after the appeal is heard. Appeals may be taken from a final order of the district court to the Supreme Court by the applicant, licensee or by the ABLE Commission. The ABLE Commission shall not be required to give bond on appeal. The licensee may file a supersedeas bond in an amount to be fixed by the ABLE Commission staying the order until the final determination of all issues on an appeal but the order of the ABLE Commission may not be stayed unless ordered by the judge of the district court. Permission to stay the order of the ABLE Commission shall not be granted by any court unless an application therefor be made in the written notice of the applicant's or licensee's intention to appeal from the order of the ABLE Commission, and then only after a hearing before the court upon notice to both parties wherein the court determines by a preponderance of the evidence that in denying a license or in ordering the suspension or a revocation of a license, the ABLE Commission acted without legal cause or upon insufficient evidence. Provided, that in all cases where the order of the ABLE Commission is stayed by a supersedeas bond and the licensee is unsuccessful in the appeal, and the action of the ABLE Commission becomes final, such bond shall be forfeited to the State of Oklahoma by the court considering such appeal if the court finds that the appeal was frivolous or was filed for the purpose of delaying the effect of the order. In such event, the Attorney General shall commence legal proceedings in the name of the State of Oklahoma to recover the amount of the bond, which money shall be placed to the credit of the General Revenue Fund of the state.

SECTION 65. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 2-153 of Title 37A, unless there is created a duplication in numbering, reads as follows:

Any license issued pursuant to the provisions of the Oklahoma Alcoholic Beverage Control Act shall be a purely personal privilege. It shall not constitute property nor be subject to attachment, garnishment or execution, or be alienable or transferable, either voluntarily or involuntarily; nor shall it descend by the laws of descent and distribution, but shall cease upon the death of the licensee. Provided, the ABLE Commission, under such regulations and subject to such restrictions as it may prescribe, may permit the executors or administrators of the estate of any deceased licensee, or the trustees of an insolvent or bankrupt licensee, or the legal guardian of a licensee who has been adjudged to be incompetent or insane, to exercise the privileges under any license held by such person for such period as the ABLE Commission may deem equitable during the administration of the deceased or bankrupt licensee's estate, but not to exceed two (2) years. A license may not be transferred to a new location, except upon application to the ABLE Commission and endorsement on the license by the ABLE Commission showing the new location. An application for transfer of license shall be accompanied by a certificate reflecting, as to the proposed new location, compliance with municipal zoning ordinances or county zoning regulations and municipal or county fire, safety and health codes as required by Section 54 of this act. A mixed beverage or bottle club licensee who transfers the license to a new location shall pay a transfer fee of One Hundred Dollars (\$100.00) to the ABLE Commission.

SECTION 66. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 2-154 of Title 37A, unless there is created a duplication in numbering, reads as follows:

All licenses issued pursuant to the provisions of the Oklahoma Alcoholic Beverage Control Act shall be displayed in a conspicuous place at all times on the licensed premises. No licensee may consent to or allow the use or display of the license by a person other than the person to whom the license was issued. No person may use a license or exercise any privileges granted by the license except at the place, address, premises or location for which the license is issued, except as otherwise provided by the Oklahoma Alcoholic Beverage Control Act.

If the mixed beverage, caterer, public event or bottle club license for a licensed premises is suspended or revoked by the ABLE Commission, all other licenses issued by the ABLE Commission for such premises shall cease to be valid. If a mixed beverage, caterer, public event or bottle club license is suspended or revoked for any licensed premises, this shall not invalidate licenses held by the licensee for other licensed premises.

SECTION 67. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 2-155 of Title 37A, unless there is created a duplication in numbering, reads as follows:

A. Provided, if the premises are not in continuous operation as a mixed beverage establishment prior to and during the transfer of financial interest in the premises, the transfer of alcoholic beverages shall be limited to alcoholic beverages in the original container which have not been opened and which have not had the seal broken and the original cap or cork removed.

Provided, if the premises are not in continuous operation as a beer and wine establishment prior to and during the transfer of financial interest in the premises, the transfer of beer and wine shall be limited to beer and wine in the original containers which have not been opened and which have not had the seal broken and the original cap or cork removed.

C. There shall be no liability on the part of, and no cause of action of any nature shall arise against the ABLE Commission for the contents of any alcoholic beverages transferred pursuant to the provisions of this section.

For the purpose only of establishing whether or not a person owns an interest in more than one package store, any person having a beneficial interest in any package store shall be deemed to be a partner in the package store except that the spouse of any retail spirits license holder or partner shall not be deemed to be a partner or have a beneficial interest in a package store unless his or her name appears on the license. A beneficial interest shall be any interest that benefits from any sales or profits of the package store.

B. For purposes of this section, any spouse of a retail spirits license holder shall not hold another license provided for pursuant to the Oklahoma Alcoholic Beverage Control Act, except a retail wine license, retail beer license, on-premises beer and wine license, mixed beverage license or a caterer's license.

C. Package stores licensed under the Oklahoma Alcoholic Beverage Control Act may sell only alcoholic beverages in retail containers as defined in Section 3 of this act, in the original package for consumption off the premises. In addition, if the violation is a second or subsequent violation, the winemaker or winery shall not be allowed to transport wine to a retail package store or restaurant for three (3) years from the date of the second or subsequent violation.

2. The fine for a violation of this subsection shall be not more than Five Thousand Dollars (\$5,000.00).

Identification seals shall be attached to beer kegs at the time of sale as determined by the ABLE Commission. The identification information contained on the seal shall include the licensed retailer's name, address, beer license number and telephone number; a unique beer keg number assigned by the licensed retailer; and a prominently visible warning that intentional removal or defacement of the seal is a misdemeanor. Upon return of a beer keg to the licensed retailer that sold the beer keg and attached the identification seal, the licensed retailer shall be responsible for the complete and thorough removal of the entire identification seal and any adhesive or attachment devices of the seal. The seal beer keg identification number must be kept on file with the retailer for not less than one (1) year from the date of return.

regular business hours for inspection by a law enforcement officer or an employee of the ABLE Commission.

F. 1. A person required to record information under subsection D of this section shall not knowingly make a materially false entry in the book or register required under subsection D of this section. In a prosecution under this subsection, it is a defense for the defendant to prove by a preponderance of the evidence that the defendant reasonably and in good faith relied upon the identification provided by the purchaser of a beer keg.

2. No person other than a licensed retailer, a licensed beer distributor, a law enforcement officer or an employee of the ABLE Commission may intentionally remove a seal placed on a beer keg in compliance with subsection C of this section. No person may intentionally deface or damage the seal on a beer keg to make it unreadable.

3. Any person who purchases a beer keg and who fails to return the keg or who returns a keg with a damaged or missing seal shall be subject to a fine of Five Hundred Dollars (\$500.00).

4. Any licensed retailer who fails to report an individual provided for in paragraph 3 of this subsection to law enforcement shall be guilty of a misdemeanor and shall be subject to fines of not less than Five Hundred Dollars (\$500.00) for first and second offenses. A third violation by a licensed retailer of the provisions of this paragraph shall result in the revocation of the retailer's license for up to one (1) year.

G. Any person who purchases a beer keg which is subsequently stolen from such person shall not be liable for any penalty imposed pursuant to the provisions of this section if such person properly reported the theft of the beer keg to law enforcement authorities within twenty-four (24) hours of the discovery of the theft.

B. Oklahoma wineries that ship products to consumers in other states shall submit a monthly report of all shipments to the ABLE Commission. The report shall contain the name, address and age of the recipient and shall list the common carrier used to ship the product. The contents of the reports shall be a matter of public record and shall be made available to the public as well as any law enforcement or regulatory official in Oklahoma or another state. The manufacturer shall also keep a copy of all such reports on its premises for a period of not less than five (5) years and shall make those reports available for inspection by any law enforcement officer of any state or federal agency upon request.

SECTION 76. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 3-106 of Title 37A, unless there is created a duplication in numbering, reads as follows:

A. A Direct Wine Shipper's Permit may be issued by the Oklahoma ABLE Commission to a winery licensed in this or any other state within the United States as a wine producer. A Direct Wine Shipper's Permit allows a winery to ship up to six nine-liter cases of wine annually directly to an Oklahoma resident who is twenty-one (21) years of age or older for such resident's personal use and not for resale. 3. Any other documentation that the ABLE Commission believes is reasonably necessary to verify the identity and physical location of the winery.

D. The ABLE Commission shall promulgate rules governing the application, issuance and renewal of Direct Wine Consumer's Permits, which shall include but not be limited to:

1. A sworn statement verifying that the applicant is at least twenty-one (21) years of age upon the date of application submission and that the wine is intended for personal use and not for resale; and

2. Any other documentation that the ABLE Commission believes is reasonably necessary to verify the identity or age of the applicant.

E. With regard to direct wine shipments permitted by this section, Direct Wine Shipper permit holders:

1. Shall not ship more than six nine-liter cases of wine annually to any person for his or her personal use;

2. Shall not ship wine intended for resale;

4. Shall require the transporter or common carrier that delivers the wine to obtain the signature of a person twenty-one (21) years of age or older at the delivery address at the time of delivery. At the expense of the Direct Wine Shipper, the Direct Wine Shipper shall receive a delivery confirmation from the express

The ABLE Commission shall design and create a label or approve a label that must be affixed to the shipping container by the licensee;

5. Shall not ship wine otherwise available in Oklahoma;

6. Shall report to the ABLE Commission annually, by a method prescribed by the ABLE Commission, the total amount of wine shipped into the state the preceding calendar year;

7. Shall annually pay to the Oklahoma Tax Commission all applicable taxes due on sales authorized by this section to Oklahoma residents in the preceding calendar year. The amount of such taxes shall be calculated as if the sale were in Oklahoma at the location where delivery is made. Upon request, permit holders shall permit the Tax Commission to perform an audit of the permit holder's records in order to assure compliance; and

8. Shall be deemed to have consented to the jurisdiction of any agency or court of the State of Oklahoma tasked with the enforcement of or adjudication of controversies related to this section and any related laws or rules.

F. No express company, common carrier or contract carrier nor any representative, agent or employee on behalf of the same shall knowingly deliver any shipping container that contains an alcoholic beverage into this state, unless it complies with the provisions of this section. No express company, common carrier or contract carrier nor any representative, agent or employee on behalf of the same shall knowingly deliver any shipping container that is clearly labeled as containing an alcoholic beverage, including but not limited to the lawful shipment of wine under this section, to any person in this state who is under the age of twenty-one (21) at the time of delivery. Any express company, common carrier or contract carrier that carries or transports alcoholic beverages for delivery within this state in violation of this section shall be guilty of a misdemeanor and for the first offense be fined not more than Two Thousand Five Hundred Dollars (\$2,500.00), for a second offense shall be fined not more than Five Thousand Dollars (\$5,000.00) and for a third and subsequent offense be fined not more than Ten

Thousand Dollars (\$10,000.00). An express company, common carrier and contract carrier shall be held vicariously liable for the actions of its representatives, agents and employees for actions in violation of this section.

SECTION 77. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 3-107 of Title 37A, unless there is created a duplication in numbering, reads as follows:

A. In order to provide for regulation of the sales and distribution of beer in this state by the ABLE Commission, this Legislature hereby declares it is necessary to implement the section.

B. Statutory regulation of the sales and distribution of designated brands in designated territories by distributors shall include but not be limited to:

1. A requirement for written distributor agreements between a manufacturer and distributor designating a specific territory within which the distributor may sell the designated brands of the manufacturer;

2. Provisions for prohibited acts applicable to the distributor and manufacturer; and

3. Provisions for penalties for violations.

SECTION 78. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 3-108 of Title 37A, unless there is created a duplication in numbering, reads as follows:

A. The provisions of this section shall be in effect except as otherwise provided in Article XXVIII A of the Oklahoma Constitution.

B. Subject to the provisions of subsection D of this section, every licensed brewer authorized to sell its beer in this state shall:

1. Enter into a distributor agreement with a licensed distributor, as defined herein, to sell the designated brands, including brand extensions, of the brewer. The agreement shall

designate the sales territory of that licensed distributor and the designated brands to be sold by the licensed distributor. All such distributor agreements shall specifically authorize this sale of the designated brands by a licensed distributor within that sales territory. All such distributor agreements shall further provide that the licensed manufacturer who desires to sell a brand extension of a low-point beer in Oklahoma must assign the low-point beer brand extension to the licensed distributor to whom the licensed manufacturer granted the exclusive sales territory to the low-point beer brand from which the brand extension resulted;

2. Sell its registered and approved designated brands only to a licensed distributor with whom that brewer has a distributor agreement designating the sales territory of the licensed distributor and the designated brands to be sold by the licensed distributor;

3. Authorize only one licensed distributor for each designated sales territory. Such licensed distributor shall be the only licensed distributor for the designated brands of the authorizing brewer within that designated sales territory; and

4. Designate who is responsible for the distribution of its designated brands.

C. Subject to the provisions of subsection D of this section, any and all licensed distributors possessing the rights to distribute a low-point beer brand in a specific territory prior to the introduction of that low-point beer's correlating beer brand extension in that specific territory shall retain the right to distribute the low-point beer from which the brand extension resulted.

D. 1. No later than sixty (60) days after the effective date of this act, a brewer shall assign the exclusive right to distribute a beer brand, including brand extensions thereof, to the low-point beer distributor who was, prior to the effective date of this act, assigned the exclusive distribution rights to the low-point beer from which the brand extension arose without charge or payment of compensation, unless the low-point beer distributor is, on the effective date of this act, a brewer of beer or low-point beer and has therefore been distributing low-point beer pursuant to a license

to so distribute, subject to the provisions of subsection E of this section. This subsection shall not apply to a small brewer as defined in Section 3 of this act.

2. With respect to brand extensions which arise after the effective date of this act, the brewer shall assign the exclusive right to distribute the brand extension to the distributor who has been assigned the exclusive distribution rights to the beer from which the brand extension arose, without charge or payment of compensation.

3. No later than sixty (60) days after the effective date of this act, with respect to dual strength beer, the brewer thereof shall assign the exclusive right to distribute the brands represented by the dual strength beer to either the low-point beer distributor or the nonresident seller who had theretofore been assigned the exclusive distribution rights in the territory to either version of the dual strength beer; provided, however, whichever party is selected by the brewer must compensate the party that was not selected by the brewer for the loss of the distribution rights with respect to that particular territory. Whichever party is selected shall obtain the requisite distributor license and shall be subject to the provisions of this act.

4. Compensation for the purposes of this provision shall be the fair market value of the party losing its distribution rights with respect to the beer within that specific territory. Fair market value shall be determined as set forth in Section 81 of this act and shall take into account all aspects of brand valuation, including but not limited to:

- a. the diminished value of the distribution of one version of beer as a consequence of the subsequent introduction of the other version,
- b. the expected annual sales and earnings of the distributor agreement,
- c. the length of time the existing distributor held in the distribution sales agreement, and

- d. any other relevant items of value, such as goodwill and going concern.

E. If a brewer, whether directly or through an affiliate, maintained one or more licenses to distribute low-point beer in this state prior to the effective date of this act, then up to two (2) of the brewer's low-point beer distribution licenses shall automatically convert to beer distribution licenses upon the effective date of this act, and such brewer shall be permitted to continue to distribute beer in two (2) territories within which it currently distributes without the appointment of a distributor for such period of time as determined by the Legislature and consistent with the Constitution of the State of Oklahoma; provided however, it shall not be permitted to distribute beer outside of the territory unless it enters into a distributor agreement with an independent licensed distributor as provided in paragraph 1 of subsection B of this section. This section shall not apply to small brewers that have elected to self-distribute.

SECTION 79. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 3-109 of Title 37A, unless there is created a duplication in numbering, reads as follows:

In order to regulate distribution of beer in this state and assure collection of all applicable taxes and fees, all beer sold in this state by a licensed distributor shall only be transported within this state to the licensed address and location of a licensed retailer or between the licensed addresses and locations of licensed retailers by a marked conveyance owned or leased by a licensed distributor.

SECTION 80. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 3-110 of Title 37A, unless there is created a duplication in numbering, reads as follows:

A. A licensed distributor designated as the licensed distributor for a beer brand within a designated sales territory shall present that beer brand for sale to all on-premise licensees on the same price basis and without discrimination and to all off-premise licensees on the same price basis within a particular county and without discrimination. A licensed distributor shall not sell, supply or deliver, either directly or indirectly through a third

party, a beer brand to a licensed retailer outside of the designated sales territory of the designated distributor nor to any person the licensed distributor has reason to believe will sell or supply any quantity of the beer brand to any retail location outside of the designated sales territory of the designated distributor.

B. All beer shall only be transported by a marked conveyance owned or leased by the licensed distributor and operated by the licensed distributor or an employee of the distributor for the products of a licensed manufacturer within the designated sales territory to the address and location of a licensed retailer within that designated sales territory.

C. Any beer sold by the licensed distributor shall not be delivered to, received by or stored at any place other than the address and location of the licensed retailer for which state and local retailer licenses or permits have been issued.

D. With the approval of the licensed manufacturer, a licensed distributor may sell the designated brands to a licensed retailer located in a designated sales territory of another licensed distributor if that licensed distributor is temporarily unable for any reason to provide the designated brands of the licensed manufacturer within its designated sales territory.

E. All beer purchased by a licensed distributor for resale in this state shall physically come into the possession of the licensed distributor and be unloaded in and distributed from the licensed warehouse of the licensed distributor located in this state prior to being resold in this state.

SECTION 81. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 3-111 of Title 37A, unless there is created a duplication in numbering, reads as follows:

A. Except as provided in subsection F of this section, a small brewer is not subject to the termination provisions of this section.

B. 1. Except as provided in subsections C, D and E of this section, no brewer shall terminate a distributor agreement with any beer distributor unless all of the following occur:

- a. the brewer establishes good cause for such termination,
- b. the beer distributor receives written notification by certified mail, return receipt requested, from the brewer of the alleged noncompliance and is afforded no less than sixty (60) days in which to cure such noncompliance. If not capable of being cured within the sixty-day period, the beer distributor shall begin the cure within the sixty-day period and diligently pursue the cure as promptly as feasible,
- c. the beer distributor fails to cure such noncompliance within the allotted cure period, and
- d. the brewer provides written notice by certified mail, return receipt requested, to the beer distributor of such continued noncompliance. The notification shall contain a statement of the intention of the brewer to terminate the distributor agreement, the reasons for the termination and the date the termination shall take effect.

2. If a beer distributor cures an alleged noncompliance within the cure period provided in subparagraph b of paragraph 1 of this subsection, any notice of termination from a brewer to a beer distributor shall be null and void.

C. A brewer may immediately terminate a distributor agreement, effective upon furnishing written notification to the beer distributor by certified mail, return receipt requested, for any of the following reasons:

1. The beer distributor's failure to pay any account when due and upon written demand by the brewer for such payment, in accordance with agreed payment terms;

2. The assignment or attempted assignment by the beer distributor for the benefit of creditors, the institution of proceedings in bankruptcy by or against the beer distributor, the dissolution or liquidation of the beer distributor or the insolvency of the beer distributor;

3. The revocation or suspension of, or the failure to renew for a period of more than fourteen (14) days, a beer distributor's state, local or federal license or permit to sell beer in this state;

4. The beer distributor has been convicted of a felony that, in the brewer's sole judgment, adversely affects the goodwill of the beer distributor or brewer;

5. A beer distributor has been convicted of, found guilty of or pled guilty or nolo contendere to, a charge of violating a law or regulation of the United States or of this state if it materially and adversely affects the ability of the beer distributor or brewer to continue to sell its beer in this state;

6. Any attempted transfer of ownership of the beer distributor, stock of the beer distributor or stock of any parent corporation of the beer distributor, or any change in the beneficial ownership or control of any entity having control of the beer distributor, without obtaining the prior written approval of the brewer, which may not be unreasonably withheld, except as may otherwise be permitted pursuant to a written agreement between the parties;

7. Fraudulent conduct in the beer distributor's dealings with the brewer of beer, including the intentional sale of beer outside the brewer's established quality standards;

8. Cessation of the beer distributor to conduct business for five (5) consecutive business days, unless conducting the business is prevented or rendered impractical due to events beyond the distributor's reasonable control as a result of an act of God, an insured casualty, war or a condition of national, state or local emergency; or

9. Any sale of beer, directly or indirectly, to customers located outside the territory assigned to the beer distributor by the brewer unless expressly authorized by the brewer.

Provided, the beer distributor shall have the opportunity to sell the brewer's brands for one hundred twenty (120) days after termination in accordance with the distributor agreement.

D. The brewer shall have the right to terminate an agreement with a beer distributor at any time by giving the beer distributor at least ninety-days' written notice by certified mail, return receipt requested; provided, the brewer shall give a similar notice to all other beer distributors in all other states who have entered into the same distributor agreement with the brewer.

E. If a particular brand of beer is transferred by purchase or otherwise from a brewer to a successor brewer, the following shall occur:

1. The successor brewer shall become obligated to all of the terms and conditions of the agreement in effect on the date of succession. This subsection applies regardless of the character or form of the succession. A successor brewer has the right to contractually require its beer distributor to comply with operational standards of performance, if the standards are uniformly established for all of the successor brewer's distributors. A successor brewer may, upon written notice, terminate its agreement, in whole or in part, with a beer distributor of the brewer it succeeded, for the purpose of transferring the distribution rights in the beer distributor's territory to a new beer distributor, provided that the successor beer distributor first pays to the existing beer distributor the fair market value of the existing distributor's business with respect to the terminated brand or brands;

2. If the successor brewer decides to terminate its agreement with the existing beer distributor for purposes of transfer, the successor brewer shall notify the existing beer distributor in writing of the successor brewer's intent not to appoint the existing beer distributor for all or part of the existing beer distributor's territory. The successor brewer shall mail the notice of termination by certified mail, return receipt requested, to the existing beer distributor. The successor brewer shall include in the notice the names, addresses and telephone numbers of the successor beer distributor or distributors;

3. a. the successor beer distributor shall negotiate with the existing beer distributor to determine the fair market value of the existing beer distributor's right

to distribute in the existing beer distributor's territory. The successor beer distributor and the existing beer distributor shall negotiate the fair market value in good faith, and

- b. the existing beer distributor shall continue to distribute in good faith until payment of the compensation agreed to under subparagraph a of this paragraph, or awarded under paragraph 4 of this subsection, is received; and
4. a. if the successor beer distributor and the existing beer distributor fail to reach a written agreement on the fair market value within thirty (30) days after the existing beer distributor receives the notice required pursuant to paragraph 2 of this subsection, the successor beer distributor or the existing beer distributor shall send a written notice to the other party requesting arbitration pursuant to the Uniform Arbitration Act, Part 2 of Article 22 of Title 13, C.R.S. Arbitration shall be held for the purpose of determining the fair market value of the existing beer distributor's right to distribute in the existing beer distributor territory,
- b. notice of intent to arbitrate shall be sent, as provided in subparagraph a of this paragraph, not later than forty (40) days after the existing beer distributor receives the notice required pursuant to paragraph 2 of this subsection. The arbitration proceeding shall conclude not later than sixty (60) days after the date the notice of intent to arbitrate is mailed to a party, unless this time is extended by mutual agreement of the parties and the arbitrator,
  - c. any arbitration held pursuant to this subsection shall be conducted in a city within this state that:
    - (1) is closest to the existing beer distributor, and

6. Municipalities which levy an occupational tax under this section shall make an annual report to the ABLE Commission, covering the fiscal year, showing the number and class of licensees subject to the tax authorized by this section, and the amount of money received therefrom, which information is to be included in the annual report of the ABLE Commission submitted to the Governor, and transmitted to the Legislature.

SECTION 102. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 4-105 of Title 37A, unless there is created a duplication in numbering, reads as follows:

Counties are hereby authorized to levy an annual occupational tax for the privilege of operating as a mixed beverage, beer and wine, caterer, public event or special event licensee or as a bottle club, within their respective jurisdictions and not located in a municipality levying an occupation tax as provided by Section 101 of this act, not to exceed the state license fee for such licensees; provided, the tax shall be levied only by the county in which such licensee has its principal place of business. All revenues derived from any such annual occupational tax shall be deposited in the general revenue fund of the county. This section shall not give any county any right to determine or regulate the issuance of any license, except as specifically provided for in this section, as the ABLE Commission shall have exclusive authority as to issuance and regulations of licenses. No county may prescribe rules or regulations in conflict with or in addition to the statutes of this state or the rules of the ABLE Commission.

Counties which levy an occupational tax under this section shall make an annual report to the ABLE Commission, covering the fiscal year, showing the number and class of licensees subject to the tax, and the amount of money received therefrom, which information is to be included in the annual report of the ABLE Commission submitted to the Governor, and transmitted to the Legislature.

SECTION 103. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 4-106 of Title 37A, unless there is created a duplication in numbering, reads as follows:

All sheriffs, marshals and police officers, all district and city or town attorneys and all employees of the ABLE Commission, shall diligently enforce all provisions of the Oklahoma Alcoholic Beverage Control Act. If any such person shall fail or refuse to do or perform any duty required by the provisions of such statutes, he or she shall be removed from office as hereinafter provided. In all cases where any sheriff, marshal, police officer, district or city or town attorney shall fail or refuse to perform any such duty, a petition shall be filed in the district court of the county wherein such person resides, in the name of the state, upon the

recommendation of a grand jury or on the relation of the board of county commissioners or of any attorney appointed by the Governor under the provisions of applicable statutes. In all cases where an employee of the ABLE Commission fails to perform any duty imposed upon him or her, such failure shall constitute cause for the termination of any such employee as provided by law. The Oklahoma State Bureau of Investigation and the Oklahoma State Bureau of Narcotics and Dangerous Drugs Control shall also have enforcement authority for the provisions of the Oklahoma Alcoholic Beverage Control Act with the power to initiate complaints with the ABLE Commission and by filing charges, if appropriate, with the district attorney in the county where the violation occurred.

The tax returns shall be made under oath by the person liable for the tax on forms prescribed and provided by the Tax Commission and shall be accompanied by payment of the taxes due and any additional sums due as provided by this section. Invoices describing all alcoholic beverages as described in this section which are shipped into this state or which are first sold in this state shall be delivered to the Tax Commission immediately following shipment of liquors into the state or delivery to the first purchaser. Tax returns and payment of excise tax and other sums due shall be electronically filed with the Tax Commission no later than the twentieth day of the month immediately succeeding the month of shipment, importation or first sale of the alcoholic beverages as provided in paragraph 1 of this subsection; and

3. Each person required to file a tax return pursuant to this section shall remit the excise tax due. Up to ten percent (10%) of each tax payment made under this subsection may be made in the form of revenue stamps previously purchased pursuant to Section 111 of this act.

C. For the purpose of collecting and remitting the excise tax imposed under this section, the person liable for such tax is hereby declared to be the agent of the state for such purposes.

E. The retail sale of alcoholic beverages shall be subject to the sales tax statutes enacted by the Legislature.

SECTION 105. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 5-102 of Title 37A, unless there is created a duplication in numbering, reads as follows:

The excise tax levied by the Alcoholic Beverages Governance Act is hereby declared and intended to be a direct tax upon the ultimate retail consumer of alcoholic beverages in this state, and when such tax is paid by, or collected from, any other person, as herein provided for, such payment shall be considered as an advance payment for convenience and facility only, and such tax shall thereafter be added to the price of such alcoholic beverages and recovered from the ultimate retail consumer thereof.

SECTION 106. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 5-103 of Title 37A, unless there is created a duplication in numbering, reads as follows:

A. The excise tax levied by Section 104 of this act shall not apply to:

2. Alcohol lawfully withdrawn and used free of tax under a tax-free permit issued by the United States government;

3. Alcoholic beverages used exclusively by licensed physicians and dentists in the bona fide practice of their professions or by licensed pharmacists in compounding prescriptions;

4. Beer, cider and wine made for personal use pursuant to a personal use permit issued as provided in Section 70 of this act;

2. There must be furnished such proof of the exclusive use for such exempt purposes as the Oklahoma Tax Commission may require.

SECTION 107. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 5-104 of Title 37A, unless there is created a duplication in numbering, reads as follows:

All revenue accruing from the excise tax levied by Section 104 of this act shall be collected by the Oklahoma Tax Commission and distributed as follows:

1. Two-thirds of ninety-seven percent ( $2/3$  of 97%) of such tax revenue shall be paid to the State Treasurer and placed to the credit of the General Revenue Fund of the state; provided, any amounts derived from the tax levied pursuant to paragraphs 2 and 3 of subsection A of Section 104 of this act that exceed an amount equal to the total amount collected from such tax levy for the fiscal year ending on June 30, 2010, shall be distributed to the Oklahoma Viticulture and Enology Center Development Revolving Fund created pursuant to Section 132 of this act, but in no event shall the distribution to the Oklahoma Viticulture and Enology Center Development Revolving Fund in any fiscal year exceed Three Hundred Fifty Thousand Dollars (\$350,000.00);

2. One-third of ninety-seven percent ( $1/3$  of 97%) of such revenue is hereby allocated to the counties of this state and shall be paid to the county treasurers on the basis of area and population (giving equal weight to area and population) wherein the sale of alcoholic beverages is lawful, and all of such funds shall be appropriated by the county commissioners of each county and apportioned by the county treasurer to all incorporated cities and towns in the county on the basis of population within each city and town on a per capita basis based on the last preceding Federal

Decennial Census. For the purpose of appropriating and paying the excise taxes collected under the Oklahoma Alcoholic Beverage Control Act, or any act which is amendatory thereof or supplemental thereto, to the incorporated cities and towns in any county, city or town, the corporate limits of which include territory within more than one county, shall be considered and treated as being a city or town in only the county within which more than fifty percent (50%) of the entire population of such city or town, as shown by the last preceding Federal Decennial Census, reside, and, for such purpose, shall not be considered or treated as being a city or town in any other county. In the event that the last preceding Federal Decennial Census fails to disclose information from which such fact may be determined by the board of county commissioners which is appropriating the tax money then involved to the cities and towns in its county, the board of county commissioners shall make an estimate, from the best information then available to it, as to the percentage of the entire population of such city or town then residing in the county. If such board of county commissioners determines, either from information disclosed by the last preceding Federal Decennial Census, or from the best information then available to the ABLE Commission (when such information is not disclosed by the last preceding Federal Decennial Census), that more than fifty percent (50%) of the population of such a city or town resides in that county, such city or town shall receive its pro rata share of such tax money on the basis of its entire population according to the last preceding Federal Decennial Census; but if such board of county commissioners so determines that more than fifty percent (50%) of the population of such city or town does not reside in that county, no part of such tax money shall be appropriated or paid to such city or town; and

3. The remaining three percent (3%) of such excise tax revenue shall be paid to the State Treasurer and placed to the credit of the Oklahoma Tax Commission Fund to be paid out of the fund pursuant to appropriations made by the State Legislature.

SECTION 108. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 5-105 of Title 37A, unless there is created a duplication in numbering, reads as follows:

A. A tax at the rate of thirteen and one-half percent (13.5%) is hereby levied and imposed on the total gross receipts of a holder

of an on-premises beer and wine, mixed beverage, caterer, public event or special event license issued by the ABLE Commission, from:

1. The sale, preparation or service of mixed beverages;
2. The total retail value of complimentary or discounted mixed beverages;
3. Ice or nonalcoholic beverages that are sold, prepared or served for the purpose of being mixed with alcoholic beverages and consumed on the premises where the sale, preparation or service occurs; and
4. Any charges for the privilege of admission to a mixed beverage establishment which entitle a person to complimentary mixed beverages or discounted prices for mixed beverages.

B. For purposes of this section:

1. "Mixed beverages" means mixed beverages as defined by Section 3 of this act;
2. "Total gross receipts" means the total amount of consideration received as charges for admission to a mixed beverage establishment, as provided in paragraph 4 of subsection A of this section, and the total retail sale price received for the sale, preparation or service of mixed beverages, ice and nonalcoholic beverages to be mixed with alcoholic beverages. The advertised price of a mixed beverage may be the sum of the total retail sale price and the gross receipts tax levied thereon; and
3. "Total retail value" means the total amount of consideration that would be required for the sale, preparation or service of mixed beverages.

C. The gross receipts tax levied by this section shall be in addition to the excise tax levied in Section 104 of this act, the sales tax levied in the Oklahoma Sales Tax Code and to any municipal or county sales taxes.

D. The gross receipts tax levied by this section is hereby declared to be a direct tax upon the receipt of consideration for

any charges for admission to a mixed beverage establishment, as provided in paragraph 4 of subsection A of this section, for the sale, preparation or service of mixed beverages, ice and nonalcoholic beverages to be mixed with alcoholic beverages, and the total retail value of complimentary or discounted mixed beverages.

E. The total of the retail sale price received for the sale, preparation or service of mixed beverages, ice and nonalcoholic beverages to be mixed with alcoholic beverages shall be the total gross receipts for purposes of calculating the sales tax levied in the Oklahoma Sales Tax Code.

SECTION 109. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 5-106 of Title 37A, unless there is created a duplication in numbering, reads as follows:

All revenues generated from the gross receipts tax levied pursuant to Section 108 of this act shall be paid to the State Treasurer and placed to the credit of the General Revenue Fund of the State of Oklahoma.

SECTION 110. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 5-107 of Title 37A, unless there is created a duplication in numbering, reads as follows:

A. Every holder of a mixed beverage, if not catered, beer and wine, caterer, hotel beverage, public event, if not catered, or special event license, issued by the ABLE Commission, shall obtain a mixed beverage tax permit from the Oklahoma Tax Commission prior to engaging within this state in the sale, preparation or service of mixed beverages, ice or nonalcoholic beverages that are sold, prepared or served to be mixed with alcoholic beverages. Each licensee shall file a verified application for a mixed beverage tax permit with the Tax Commission, setting forth information as may be required by the Tax Commission.

The Tax Commission, or its designated agent, shall issue, without any fees or charges therefor, a mixed beverage tax permit in the name of the licensee for the place of business set forth in the application upon verification that:

1. The applicant is a holder of a mixed beverage, if not catered, beer and wine, caterer, hotel beverage, public event, if not catered, or special event license issued by the ABLE Commission;

2. The applicant has posted a surety bond or other negotiable collateral to protect the proper payment of the gross receipts taxes;

3. The applicant is a holder of a sales tax permit for the place of business set forth in the application; and

4. The applicant is not delinquent in the payment of any gross receipts taxes or sales taxes.

A mixed beverage tax permit shall expire three (3) years after issuance; provided, if the holder thereof is also the holder of a sales tax permit, a mixed beverage tax permit shall be valid for three (3) years or until expiration of the sales tax permit, whichever is earlier, after which a renewal permit shall be valid for three (3) years.

B. A separate mixed beverage tax permit for each place of business to be operated must be obtained and no charge therefor shall be made by the Tax Commission. The Tax Commission shall grant and issue to each applicant a separate permit for each place of business in this state, upon proper application therefor and verification thereof by the Tax Commission.

C. A mixed beverage tax permit is not assignable and shall be valid only for the person in whose name it is issued and for the transaction of business at the place designated in the permit.

D. It shall be unlawful for any person to engage in a business subject to the provisions of this section prior to the issuance of a mixed beverage tax permit. Any person who engages in a business subject to the provisions of this section without a mixed beverage tax permit or permits, or after a permit has been suspended, shall be guilty of a misdemeanor, and upon conviction thereof, shall be fined not more than One Thousand Dollars (\$1,000.00) or incarcerated for not more than sixty (60) days, or by both such fine and imprisonment.

E. Any person operating under a mixed beverage tax permit as provided in this section shall, upon discontinuance of business by sale or otherwise, return such permit to the Tax Commission for cancellation, together with payment of any unpaid or accrued taxes. Failure to surrender a mixed beverage tax permit and pay any and all accrued taxes will be sufficient cause for the Tax Commission to refuse to issue a mixed beverage tax permit subsequently to such person to engage in or transact any business in this state subject to the provisions of this section. Notwithstanding the provisions of subsection H of Section 1364 of Title 68 of the Oklahoma Statutes, the Tax Commission shall not deny a purchaser of a business subject to the provisions of this section a mixed beverage or sales tax permit because of outstanding tax liabilities of the seller, provided the seller pays to the Tax Commission the estimated sales tax owed by the seller. Provided, further, upon completion of an audit by the Tax Commission and determination of actual sales tax owed, the difference between the estimated sales tax paid and the actual sales tax owed shall be paid by the seller to the Tax Commission if taxes were underpaid or returned to the seller by the Tax Commission if taxes were overpaid.

F. Whenever a holder of a mixed beverage tax permit fails to comply with any provisions of any state alcoholic beverage laws or tax laws, the Tax Commission, after giving ten-days' notice in writing of the time and place of hearing to show cause why this permit should not be revoked, may revoke or suspend the permit. A mixed beverage tax permit shall be renewed upon removal of cause or causes of revocation or suspension. Mixed beverage tax permits are conditioned upon the proper and timely payment of all taxes due and in the event a holder of a mixed beverage tax permit becomes delinquent in reporting or paying any tax due under the provisions of state tax law, any duly authorized agent of the Tax Commission may cancel the permit and it shall be renewed only upon the filing of proper reports and payment of all taxes due and application for renewal in accordance with subsection A of this section.

G. Upon revocation or suspension of the mixed beverage, beer and wine, caterer, hotel beverage, public event or special event license by the ABLE Commission, the Tax Commission, or its duly authorized agent, shall temporarily suspend the mixed beverage tax permit issued to the licensee in accordance with Section 212 of Title 68 of the Oklahoma Statutes.

SECTION 111. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 5-108 of Title 37A, unless there is created a duplication in numbering, reads as follows:

A. The Oklahoma Tax Commission shall promulgate rules to implement a reporting method of taxing all alcoholic beverages sold or delivered in this state to eliminate the use of any type of stamps.

B. Every manufacturer or brewer manufacturing or brewing any beer in this state, for sale in this state, and every manufacturer or brewer outside of the state, shipping any beer into this state, shall cause to be printed, upon an affixed label around and upon the body of each bottle or upon the top or the lid of each can of such beer, a symbol or other designation, approved by the Tax Commission, including such information as the Tax Commission may require. Brewers shall be required to submit samples of crowns, tops and labels to the Tax Commission for approval.

C. Payment of the excise tax levied by the Oklahoma Alcoholic Beverage Control Act, with respect to beer shall be made by the manufacturer or brewer as to all beer produced by such brewer within the state for sale within this state, and shall be made by the importing manufacturer or beer distributor who is the original consignee of beer manufactured or produced outside of this state as to all beer imported into this state by such importing licensee. It is the duty of each Oklahoma licensed brewer with respect to beer produced by such brewer within this state, and of each Oklahoma licensed beer distributor as to beer produced outside of this state and imported into this state by such beer distributor, to pay the excise tax on such beer to the Oklahoma Tax Commission as hereinafter provided.

D. Notwithstanding any other provision of law, the tax levied by the Oklahoma Alcoholic Beverage Control Act shall be part of the gross proceeds or gross receipts from the sale of alcoholic beverages, as those terms are defined in paragraph 12 of Section 1352 of Title 68 of the Oklahoma Statutes.

SECTION 112. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 5-109 of Title 37A, unless there is created a duplication in numbering, reads as follows:

The Oklahoma Tax Commission shall have authority to allow credit for or make refunds of any money paid for stamps issued by the Tax Commission in payment of state excise tax by the manufacturer pursuant to authority granted by the Tax Commission. All applications to the Tax Commission for credit or replacement under the provisions of this section shall be verified by affidavit and all proof and evidence supporting such application shall be made in strict conformity with the rules of the Tax Commission setting forth the requirements in connection with such evidence and application.

SECTION 113. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 5-110 of Title 37A, unless there is created a duplication in numbering, reads as follows:

A. Payment of the excise tax levied by Section 104 of this act with respect to beer shall be made by the brewer or the beer distributor as herein provided. The tax shall be due and payable on the first day of each month for the preceding calendar month and if not paid on or before the tenth day of each month shall thereafter be delinquent.

B. Every brewer and beer distributor shall make and transmit to the Oklahoma Tax Commission on or before the tenth day of each calendar month, upon a form prescribed and furnished by the Tax Commission, an itemized and verified report, for the preceding calendar month, showing the following information:

1. Total quantity and description of opening inventory of beer as of the first day of the month;

2. Total receipts and acquisitions during month from every source. This shall be itemized showing:

a. imports and purchases within and without this state separately,

b. the kind and quantity of each type of beer as shown by the shipper's or seller's invoices thereof,

- c. the date of each purchase,
- d. the quantities purchased,
- e. the date received,
- f. the person from whom purchased,
- g. the manifest, bill of lading or delivery invoice number of each shipment, which number shall be the number used by the original seller as shown on the basic shipping records which accompany the shipment,
- h. the point of origin and point of destination of each shipment, and
- i. the name and ABLE Commission license number of the carrier if shipped by carrier;

3. The kind and quantity of all beer sold or withdrawn from stock for sale, use or consumption in the State of Oklahoma during the preceding calendar month; the date of each sale; the kind and quantity of beer in each sale; the name, address and ABLE Commission license number of each purchaser; the manifest, bill of lading or delivery invoice number, which number shall be the number as shown on the basic shipping records which accompany the delivery; and the name and ABLE Commission license number of the carrier if shipped by carrier;

4. All nontaxable sales and dispositions made during the month, including exports and sales and deliveries to military installations located within this state, shall be reported and information in reference to each such nontaxable sale, disposition and export shall be shown in detail as is required for sales in the State of Oklahoma and shall be supported by evidence satisfactory to the Tax Commission;

5. Closing inventory of beer as of the last day of the calendar month; and

6. Such other information pertaining to the brewer's and beer distributor's beginning inventory of beer, receipts or acquisitions thereof, sales and dispositions thereof, and the closing inventory, as the Tax Commission may by form or rule require.

C. Every brewer and beer distributor, at the time of making the monthly report required by this section, shall remit to the Tax Commission the total amount of the excise tax due as shown by the report. It shall be unlawful for any brewer or beer distributor to sell or offer for sale any beer while delinquent in the payment of any excise tax due the state.

D. Reports and remittances, as required herein, which are mailed on the tenth day of the month and received by the Tax Commission subsequent to the tenth of the month in which the excise tax is payable, shall be deemed to have been received by the Tax Commission before becoming delinquent. Postmark or registry receipt showing deposit in the United States mails shall be conclusive evidence of the date of mailing. The time for filing returns and paying the excise tax levied by the Oklahoma Alcoholic Beverage Control Act shall not be extended.

E. If upon investigation it is determined by the Tax Commission that any nontaxable disposition or sale claimed by any brewer or beer distributor is not supported by a valid invoice, or is fraudulently or falsely claimed in any manner by such brewer or beer distributor or any agent of such licensee, the Tax Commission shall disallow any such deduction and shall assess and collect the tax, together with the penalty and interest thereon, on the total amount of the disallowed deduction taken by the licensee.

F. The taking and claiming of any deduction not authorized by law, upon a report by any brewer or beer distributor, or the failure to file monthly reports or to pay any excise tax due, shall constitute grounds for the revocation of such person's license by the ABLE Commission and the Tax Commission shall promptly notify the ABLE Commission of all such cases.

SECTION 114. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 5-111 of Title 37A, unless there is created a duplication in numbering, reads as follows:

A. Every wine and spirits wholesaler and/or other person authorized under the Oklahoma Alcoholic Beverage Control Act to import alcoholic beverages into this state, shall make and transmit to the Oklahoma Tax Commission on or before the tenth day of each month, upon a form prescribed and furnished by the Tax Commission, an itemized and verified report for the preceding calendar month, showing the following information:

C. The taking and claiming of any deduction not authorized by law, upon a report by any wholesaler or the failure to file monthly reports or pay any excise tax due, shall constitute grounds for the revocation of such person's license, distributor permit or wholesaler permit by the ABLE Commission and the Tax Commission shall promptly notify the ABLE Commission of all such cases.

SECTION 115. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 5-112 of Title 37A, unless there is created a duplication in numbering, reads as follows:

C. A distributor permit or wholesaler permit may be obtained by filing a verified permit application with the Tax Commission on a form furnished by the Tax Commission.

B. Each wholesaler shall furnish a copy of the wholesaler permit to manufacturers, importers, brokers and others who sell alcoholic beverages prior to purchasing alcoholic beverages from a holder of a distributor permit. SECTION 117. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 5-114 of Title 37A, unless there is created a duplication in numbering, reads as follows:

A. All bottles or other original containers of alcoholic beverages in the possession of any person upon which the taxes have not been paid as required by the Oklahoma Alcoholic Beverage Control Act and the rules thereunder are declared to be contraband. Any duly authorized employee of the ABLE Commission or the Oklahoma Tax

B. If, upon examination of invoices or from other investigation, the Tax Commission finds that any alcoholic beverages have been sold without tax payment as required by the Oklahoma Alcoholic Beverage Control Act, the Tax Commission shall have the power to require such person to pay to the Tax Commission as such tax a sum equal to twice the amount of the tax due. If any person is unable to furnish evidence to the Tax Commission of excise tax payment to cover purchases of alcoholic beverages made by such person, the prima facie presumption shall arise that such alcoholic beverages were sold without excise tax payment.

Such employees of the ABLE Commission or the Tax Commission shall be

given free access to and shall not be hindered or interfered with in their examination of the licensed premises of any licensees, and, in case any such employee is denied free access or is hindered or interfered with in making such examination, any license held by the person preventing such free access or interfering with or hindering such employee shall be subject to suspension or revocation.

The ABLE Commission shall give not less than seven-days' notice of the time and place of such hearing to the owner of such container of alcoholic beverage, if known, and also to the person in whose possession such container was found, if such person is known, and if such person in possession is not the owner of the property. Such bond shall be no less than an amount equal to the average estimated quarterly gross receipts tax liability and no greater than an amount equal to three times the amount of the average estimated quarterly gross receipts tax liability. The minimum bond required for a new permit holder shall be not less than One Thousand Five Hundred Dollars (\$1,500.00).

D. Notwithstanding the provisions of subsection C of this section, if the permit holder has held the permit for at least four (4) years and is not delinquent in the payment of mixed beverage taxes, the Tax Commission shall not require any increase in the bond so long as the permit holder remains current in the payment of such taxes.

E. Any bond or other security shall be such as will protect this state against failure of the taxpayer or licensee to pay the tax levied by Section 108 of this act. B. The gross receipts tax levied by Section 108 of this act shall be calculated by multiplying the tax rate, thirteen and one-half percent (13.5%), and the total gross receipts for each month from the sale, preparation or service of mixed beverages, ice and nonalcoholic beverages mixed with alcoholic beverages, the total gross receipts of charges received for admission to mixed beverage establishments, as provided in paragraph 6 of subsection A of this section, and the total retail value of complimentary or discounted mixed beverages. All taxes, penalties and interest imposed by the Oklahoma Alcoholic Beverage Control Act may be paid in the form of electronic funds transfer or by a personal or company check, cashier's check, certified check or postal money order payable to the Tax Commission.

C. If the gross receipts tax levied pursuant to the provisions of Section 108 of this act is not paid on or before the twentieth day of each month, the tax shall be delinquent, and interest and penalty shall accrue on and from the twenty-first day of each month, pursuant to the provisions of the Uniform Tax Procedure Code.

D. Every licensed wholesaler of alcoholic beverages in this state shall file with the Tax Commission a monthly report, under oath, on forms prescribed by the Tax Commission, which shall include the name, location and mixed beverage tax permit number of each mixed beverage, caterer, public event or special event licensee to whom the licensed wholesaler sold alcoholic beverages during the report month.

F. Taxes paid as provided by law represented by accounts receivable which are found to be worthless or uncollectible may be credited upon subsequent reports and remittances of such tax, in accordance with rules promulgated by the Tax Commission. If such accounts are thereafter collected, the same shall be reported and the tax shall be paid upon the amount so collected.

G. In addition to any other authority granted by law, the Tax Commission is hereby authorized to audit any mixed beverage, beer and wine, caterer, public event or special event licensee to determine if the correct amount of tax payable under Section 108 of this act has been collected; provided, if such an audit reveals that the amount collected is within the following percentages of the amount of tax payable, the taxpayer shall be deemed to be in compliance:

1. For spirits, eighty-four percent (84%) to one hundred sixteen percent (116%);

2. For wine, ninety percent (90%) to one hundred ten percent (110%);

B. All containers of alcoholic beverages which are on the premises of a mixed beverage, beer and wine, caterer, public event or special event licensee and which are not listed on an invoice from the wholesaler pursuant to the provisions of this section are declared contraband. Any duly authorized employee of the ABLE Commission or the Oklahoma Tax Commission is authorized to seize such containers or cases, and such seized containers or cases shall be subject to confiscation and forfeiture pursuant to the provisions of the Oklahoma Alcoholic Beverage Control Act.

Any person who erases, removes, obliterates, destroys or renders illegible in any manner any serial numbers, marks, brands, legends, license numbers, case numbers or other information required by the Oklahoma Alcoholic Beverage Control Act or by Acts of Congress to be attached or placed upon any original containers or cases containing alcoholic beverages before the contents of such packages or cases have been entirely removed is guilty of a misdemeanor.

SECTION 153. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 6-113 of Title 37A, unless there is created a duplication in numbering, reads as follows:

It shall be unlawful for any person, firm or corporation to possess any alcoholic beverages with the intent to sell the same without having first procured a license therefor from the ABLE Commission as now provided for by law. All alcoholic beverages found in the possession or under the control of any person or persons, firm or corporation who, on the same date, or within fifteen (15) days prior thereto, has violated Section 153 of this act, shall be seized by the arresting officer and shall be forfeited to the State of Oklahoma, as provided for in Section 167 of this act; provided, property seized by a county or municipal law enforcement officer shall be forfeited to the county or municipality in which the seizure of the property took place, whichever is appropriate, as provided for in Section 167 of this act.

SECTION 154. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 6-114 of Title 37A, unless there is created a duplication in numbering, reads as follows:

A. 1. If the premises of a licensee of the ABLE Commission contains a separate or enclosed lounge or bar area, which has as its main purpose the sale or distribution of alcoholic beverages for on-premises consumption, notwithstanding that as an incidental service, meals or short order foods are made available therein, no person under twenty-one (21) years of age shall be admitted to such area, except for members of a musical band employed or hired as provided in paragraph 2 of Section 142 of this act when the band is to perform within such area, or persons under twenty-one (21) years of age who are on the licensed premises for the limited purpose of performing maintenance, construction, remodeling, painting or other similar services relating to the building or equipment installation, repair or maintenance on the premises during those hours when the licensed establishment is closed for business. The provisions of this section shall not prohibit persons under twenty-one (21) years of age from being admitted to an area which has as its main purpose some objective other than the sale or mixing or serving of alcoholic beverages, in which sales or serving of alcoholic beverages are incidental to the main purpose, as long as the persons under twenty-one (21) years of age are not sold or served alcoholic beverages. The incidental service of food in the bar area shall not exempt a licensee from the provisions of this section. The ABLE Commission shall have the authority to designate the portions of the premises

of a licensee where persons under twenty-one (21) years of age shall not be admitted pursuant to this section. When determining a licensee's main purpose, a licensee that operates a full kitchen, sells food items from a full menu, and has thirty-five percent (35%) or more of its monthly gross sales attributable to food items, shall have as its main purpose other than the sale of alcoholic beverages. The main purpose of those mixed beverage establishments whose main purpose was other than the sale of alcoholic beverages prior to October 1, 2018, shall not automatically lose that designation upon the elimination of low-point beer in the state. If the ABLE Commission wishes to change said mixed beverage establishments' main purpose designation, it shall be the burden of the ABLE Commission to prove by clear and convincing evidence that said mixed beverage establishments no longer qualify for that designation.

2. A new licensee that claims as its main purpose some objective other than the sale of alcoholic beverages may be granted a separate or enclosed lounge or bar area for a period of ninety (90) days. At the end of that ninety-day period, the licensee shall have the burden of showing that the business continues to qualify for a separate or enclosed bar area. If the licensee fails to satisfy this burden, then that licensee's main purpose shall automatically convert to the sale of alcoholic beverages.

B. Except as otherwise provided, an admission charge shall not be considered in any calculation designed to determine the main purpose of an establishment pursuant to subsection A of this section. As used in this section, "admission charge" means any form of consideration received by an establishment from a person in order for that person to gain entrance into the establishment.

C. The provisions of subsection B of this section shall not apply:

1. If only persons eighteen (18) years of age or older are permitted to enter the licensed premises; provided, if the licensee is claiming an exception from the requirements of subsection B of this section pursuant to this paragraph and fails to restrict the entry by persons under age eighteen (18) into the licensed premises, the ABLE Commission shall designate that only persons twenty-one (21) years of age or older are allowed on the licensed premises;

2. If the licensed premises are owned or operated by a service organization or fraternal establishment which is exempt under Section 501(c)(19), (8), or (10) of the Internal Revenue Code; or

3. To a public event held in a facility owned or operated by any agency, political subdivision or public trust of this state.

D. The ABLE Commission shall promulgate rules necessary to implement the provisions of this section.

SECTION 157. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 6-117 of Title 37A, unless there is created a duplication in numbering, reads as follows:

Any person who shall knowingly engage in any activity or perform any transaction or act for which a license is required under the Oklahoma Alcoholic Beverage Control Act, not having such license, shall be guilty of a misdemeanor and for the first offense, upon conviction, be fined not more than Two Thousand Five Hundred Dollars (\$2,500.00) and imprisoned for not less than thirty (30) days nor more than six (6) months, and for a second or subsequent offense shall be guilty of a felony and be fined not more than Two Thousand Five Hundred Dollars (\$2,500.00), or imprisoned in the State Penitentiary for not more than one (1) year, or by both such fine and imprisonment.

SECTION 159. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 6-119 of Title 37A, unless there is created a duplication in numbering, reads as follows:

A. Any person under twenty-one (21) years of age who shall misrepresent his or her age in writing or by presenting false documentation of age for the purpose of inducing any person to sell or serve him or her alcoholic beverage or issue him or her a bottle club membership card, or who enters or attempts to enter a package store or a separate or enclosed bar area as designated by the ABLE Commission, shall be guilty of a misdemeanor and fined not more than Fifty Dollars (\$50.00).

B. In addition, if a person is convicted or pleads guilty to a violation of the provisions of this subsection in any court having jurisdiction over the offense, the court may order the Department of Public Safety to cancel or deny the offender's privilege to operate a motor vehicle and, upon such order, shall require that the operator's or chauffeur's license, if any, be surrendered to the Department pursuant to Section 6-209 of Title 47 of the Oklahoma Statutes. The cancellation or denial period shall be for one (1) year, or until the person reaches twenty-one (21) years of age, whichever is longer.

Such officers shall notify the ABLE Commission of any acts, practices or other conduct of any such licensee which may be subversive to the general welfare or contrary to the spirit of the Oklahoma Alcoholic Beverage Control Act and shall recommend appropriate action to be taken by the ABLE Commission or the Oklahoma Tax Commission.

All such property shall be forfeited to the State of Oklahoma. This section shall not be construed to require a search warrant for

duly authorized employees of the ABLE Commission to enter upon and inspect any licensed premises, but such right of entry and inspection shall be a condition on which every license shall be issued and the application for, and acceptance of, any license hereunder shall conclusively be deemed to be consent of the applicant and licensee to such entry and inspection.

B. Any alcoholic beverages upon which the appropriate federal excise tax has not been paid at the time of seizure under this section shall be destroyed by the sheriff who seized the same or to whom the same has been delivered in accordance with the provisions of Section 1261 of Title 22 of the Oklahoma Statutes, as amended, after the same is no longer needed as evidence in any criminal prosecution. The court shall, without a jury, order an immediate hearing as to whether the property so seized was subject to seizure under this section, and take such legal evidence as is offered, and determine the same as in civil cases. If the court finds from a preponderance of the evidence that the property so seized was subject to seizure under this section, it shall render judgment accordingly and order the property forfeited to the State of Oklahoma unless seized by county or municipal law enforcement officers, in which case the property shall be forfeited to the county or municipality, whichever is appropriate, in which the seizure of the property took place. Such seized property shall be sold by the officer having the same in charge, after giving ten-days' notice by one publication in a legal newspaper of the county or, if no legal newspaper is published in the county, after five notices of such sale have been posted in conspicuous places in the city or town wherein such sale is to be made, at least ten (10) days before such sale. Appeal from such an order may be taken as in civil cases. When such property is sold under the provisions of this section, the proceeds thereof shall be distributed as follows: first, to the payment of the costs of the case in which the order of forfeiture was made and the actual expenses of preserving the property; and second, the remainder to be deposited with the county or municipal treasurer of the county or municipality in which the

seizure took place if the property was seized by county or municipal law enforcement officials or with the State Treasurer to the credit of the General Revenue Fund of the State of Oklahoma in all other cases.

Upon the return of such order, the judge before whom the matter shall come for hearing shall examine under oath such witness or person, and such person shall be given an opportunity to be heard. If the judge shall determine that such person has refused, without reasonable cause or legal excuse, to be examined or answer a legal or pertinent question, or to produce a book, record or paper which he or she was ordered to bring or produce, the judge may punish the offender as for contempt of court and shall fix the penalty in any sum not less than Two Hundred Fifty Dollars (\$250.00) but not to exceed Five Hundred Dollars (\$500.00) or require him or her to serve a maximum of thirty (30) days in jail, or by both such fine and imprisonment.

Witnesses subpoenaed at the instance of the Director shall be paid their fees and mileage by the Director out of funds appropriated by the Legislature. Court costs in the contempt proceedings shall be paid as taxed by the court.
